

Electric Costs for Industrial Service, 2007

SOURCE:

Edison Electric Institute, "Typical Bills and Average Rates Report," January 1, 2007 and July 1, 2007. State Averages are weighted using eight months of January 2007 data and four months of July 2007 data. Nebraska data represent the average for Omaha Public Power District, Lincoln Electric System, and Nebraska Public Power District using the same seasonal weighting.
